A FEW NOTES ON ADONS NEXT DOOR (AND I SWEAR, THIS IS THE LAST THING I'LL SAY ABOUT IT)

-THE REASON WE LEFT TERMS UNTRANSLATED WAS BECAUSE THEY WERE NEEDED FOR THEIR PUNARLUE. IF WE HAD SWITCHED BACK AND FORTH, WE THOUGHT IT'D BE CONFUSING.

-IF YOU HAVE NOTICED IN THE CREDITS, THIS SERIES IS NOT BEING PROOFED. IN EDITING IT, BUT NOT PROOFING IT. WHY? BECAUSE WE'RE SERIOUSLY SHORT-HANDED. IF YOU THINK THAT THIS TRANSLATION IS IMPAIRING ON EVERYTHING YOU HOLD DEAR, PLEASE APPLY AS A PROOFREADER OR TRANSLATOR. WE'RE BEEN ADVERTISING FOR BOTH, IN CASE YOU HAVEN'T NOTICED.

-JAPANESE CULTURE IS MORE WELL-KNOWN AND POPULAR BECAUSE "WE" AS A COMMUNITY MADE IT THAT WAY. AND LET'S BE CLEAR, IF YOU LEARN 5 NEW WORDS OUT OF THE MASH-HAUSHAU IT'S YOUR GAIN. WE'RE LITERALLY SPOOKFEEDING YOU NEW WORDS, DEFINED ET. AL. I HEAR YOU'RE NEVER EVER GOING TO FORGET WHAT KENRAN MEANS, WILL YOU? (AND OH THAT'S TELL ACCORDING TO KENRAN?)

-I AM NOT SURE WHAT YOUR GOAL IS IN LEAVING SUCH "CONSTRUCTIVE" CRITICISM. YOU'RE DEFLATING OUR HARDLY IMPUTED SALES, AND PERHAPS, IF YOU THINK THIS SALES US THE MOTIVATION TO DO BETTER, THEN YOU'RE SERIOUSLY WRONG. PLEASE FILL YOUR GOOD TRANSLATIONS IN OUR SEA OF HALF-ASAPED QUES AND STICK TO THEM, THERE'LL BE A WARMER SITUATION, I ASSURE YOU. AND IF YOU CAN READ CHINESE, AND ARE STILL READING OUR TRANSLATIONS, WHY THE ORIGINAL LANGUAGE WILL ALWAYS BE BETTER. GO READ THE ORIGINAL.

TLDR: aking of 201 AM+
-EDM SHUT UP PLEASE

By the time they were half way through the second chapter, the boys were laughing and shouting and waving their hands in the air. "That's the best I've ever read," said the boy with the red hair. "I wish I could read it all the time."

"Then come over to paper-magnifying-glass, hand-drawn and apply today to have further pictures made better and a lot of fun."
